

To Whom It May Concern:

I have contacted Jen who is the owner of the website ([www.kipmckean.com](http://www.kipmckean.com)) in which Web Hero of Catalog.Com host and I have instructed her to remove our material from her website and as of today she has not. Jen does not have permission, written or otherwise, to publish any of our material on her site. I called and spoke with Patrick of your company (ext 122) and he has informed me to email you about what Jen is hosting on her site which is in direct violation of Federal and State Copyright and Trademark Laws. I have also reviewed your Terms and Conditions that each person must comply with in order for your hosting. Not only is Jen in violation of Federal and State Laws, she is also in violation of your policies.
